Education

B.Tech in Chemical Engineering
NIT Rourkela

July 2013 — May 2017

- A four year course in chemical engineering.
- The overall CGPA for first year is 9.03 with the second semester's SGPA (latest) being 9.13.

CBSE X
Green Land School

April 2009 — March 2010

- Got a CGPA of 9.8.
- Placed 2nd on the merit list.

CBSE XII
BCM Arya Model

April 2011 — March 2012

- Scored 91.6% in PCM.
- Was granted a full scholarship for two years on the basis of 10th result and achievements in chess.

Qualifications

Some of my best takes:

- International rated chess player with FIDE rating of 1837.
- Editor in MondayMorning (The official newsletter of NIT Rourkela)
- Website maintainer in Technical Team of MondayMorning
- Technical Coordinator and Event Manager in SPARK (Electrical related Society of NIT Rourkela)

On certificate Achievements:

1. Nominated by the institute for prestigious S.N. Bose Scholars Program 2015.
2. Event coordinator in Innovision, the annual techno-management fest of NIT Rourkela.
3. Member of content, technical & website development team in NITRUTSAV,15, the cultural fest of NIT Rourkela.
4. Stood third in a Mathematics Olympiad in 2010.
5. Above 90% score in Class X and XII.
6. Position holder in CBSE north zone cluster chess tournament,2010 and selected for nationals.
7. **'Best Player of the tournament award'** in SGFI (School Games Federation of India) National Championship,2012
8. Consecutive position holder as a Team in State Level Championships in the period 2009-2011.
9. Position holder in Sahodya Schools Championship every year from 2009-2012.
10. **'Best Player of the tournament award'** in Inter-NIT sports held in Trichy in 2014.

11. Participated in many open national level championships throughout the country.

Skills:

As a sportsman, the following has automatically become a second nature to me :

- Temperament control.
- Excellent time management skills.
- Balanced a 6+ hour practice per day, training, competition, and travel schedule, in addition to academics.
- Effectively managed communication between team members as a Team Captain for 3 consecutive years in various state and national level championships.

Interests

Along with learning the core branch related stuff, some off-stream initiatives, purely out of interest, have been taken up by me.

A quick learner, the following I learnt in an year after joining the college:

1. Programming skills in C,C++.
2. Web languages, HTML, CSS, Javascript, PHP, MySQL, which I can now easily interpret and modify, if not start from the scratch.
3. Made website for an NGO www.muskaanfoundation.com.
4. Made website for an institute society www.sparknitr.com.
5. Quite efficient in Adobe creative suite programs like Photoshop, Dreamweaver.
6. Proficient in many of the MS Office programs.
7. Architecture related softwares such as Autocad 2010.

Along with the above, the non-technical aspects of mine are reflected in the lines below:

1. Love for literature; A Dicken's Fan, Fond of reading, be it novels, newspapers.
2. A Multilingual with proficiency in English, Hindi and Punjabi.
3. A leader in almost every phase of my till now life.
4. A source of positive energy, as referred to, by others.
5. Swimming, Badminton; A lust for these.
6. Have a way with different types of people.

Courses

- Engineering Mechanics
- Basic Electrical Engineering
- Engineering Drawing
- Basic Electronics
- Data Structures & Algorithm
- Environment & Safety Engineering
- Chemical Process Calculation
- Chemical Engineering Thermodynamics
